

Environmental Specialist - Field (2 positions)

Preferred Application deadline: May 5th, 2024

Rate: \$27.00/hour

Estimated hours per week: 35 - 40

Dates: May 21st – September 9th, 2024

Statement of work:

The New Jersey Department of Health-Youth Camp Safety Project is seeking two (2) full-time seasonal workers to conduct inspections of youth camps operating throughout the state. Under the general direction of the NJDOH youth camp project lead, the full-time staff will assist in a variety of youth camp surveillance activities, including the inspection and enforcement of the Youth Camp Safety Standards (N.J.A.C. 8:25), review and verification of criminal history background checks and camp policies and procedures and data collection/ data entry.

Minimum Qualifications:

- Familiarity or willingness to conduct field work
- Ability to maintain detailed and accurate records
- Ability to travel to and from surveillance sites throughout New Jersey (mileage reimbursed at \$0.47/mile)

Required documents:

- CV/Resume
- Active Registered Environmental Health Specialist (REHS) License
